

Welcome Page

Welcome to the 2013-2014 School Year! I am very excited to have 19 smarties in the jungle with me this year on an educational safari. We are going on a mission this year in first grade to learn new information, become more responsible for ourselves, and grow in many more ways.

Please take a moment to visit the variety of links on our web page. You will find information about our class, helpful hints for reading and math, interesting websites for kids, parents, and much more!

We hope you enjoy our website as much as we are enjoying our year in first grade.
