Illness

The sick season is upon us. Please remember our policy when your child is sick:

- If a student has a fever, they cannot return/be at school until they are **fever free for 24 hours without medicine**. We know this can be an inconvenience for parents, but we are trying to contain illnesses and keep them from spreading to other students. Please abide by this policy. ***This also means that if a student leaves school with a fever, they should NOT return the next day, unless a doctor’s note is provided allowing them to return.***
- Vomiting/Diarrhea: Students should be **episode free for 12 hours** before returning to school.
