Hello AGS Parents,

This year teachers and parents have asked that school kits be modified to allow a child to use leftover school supplies. When ordering online parents will purchase a basic kit and will then select other grade required items off the attached bulk list. Attached are two lists, one is an individualized grade kit list (also listed below) and the other is a bulk list. These bulk list items will be available for pick-up from the office throughout the school year. If your child needs any of the bulk list items added to their Staples kit, calculator (\$14.00), thesaurus (\$1.75), dictionary (\$1.50), headphones (\$5.00) or flash cards (\$2.50 per pack), please contact Amy Iiams at aglaubit3@att.net (school office must receive payment before items are distributed).
