* Start times are approximate.

** This is a tournament. Only one team will compete.

Each individual match will last approximately 1 hour. For the meets with one opponent, we will play two matches (x2); these meets can therefore be expected to last about 2 hours total. For the meets with two opponents (triangular meets), each team has a match with both opponents and has one bye round while the other two teams play each other. Triangular meets (none scheduled in 2018) should last no more than 3 hours total.

Bus transportation will be round-trip. Parents should be at Aviston to pick up their kids by the time we return. Students will contact parents when we are on our way back. Please note that there is no bus for the Saturday Feb. 3 and Feb. 10 tournaments.
