Board Games/Legos/Craft Supplies

The PTA is building game carts to be used at school. We have had a good amount of games donated but are still looking for additional games to complete our carts and have some to rotate out. We are also looking for Legos for the older classes. If you have any craft supplies that you would like to donate to be used in the classrooms we would gladly take them. Thank you for helping us continue to create fun activities for the students as we socially distance.
