HOMETOWN HEROES

SEPT. 11

Food, Drinks, Kids Activities, Fireman's Relay, Car Cruise & SO MUCH MORE. Check out ACIC FB page for more information.

A BIG Thank You to parents & daycare providers for your patience with the school & bus company while we worked through bus route changes for the new school year!

A FRIENDLY REMINDER...

Please keep extra masks in your child's book bag and send a spill proof water bottle each day.

To Check Your Child's AR Points from Home:

- Go to the school's website www.avistonk-8.org
- Click on AR Home Connect Tab
- Use your child's username and password to access

Parents may view AR points earned, tests taken, and test performance.
Students are aware of log-in information.

Morning Drop Off

If your student needs help getting out of the car or has several items to unload, **PLEASE** park in the lot. This will alleviate congestion in the drop-off lanes.

Afternoon Pick-Up

If space is not available in the school parking lot, please use surrounding streets. Parents may meet younger children outside the cafeteria doors.

It is illegal to use a cell phone while driving in a school zone.

Message from the Athletic Department...

5th-6th Grade Girls Basketball Tryouts will be held September 1-2 after school from 3:15-4:45 in the gym. 6th grade softball & cross-country team members who are interested in playing basketball will attend softball & cross-country games/practices on these days & special tryout allowances will be made. Please contact avistonathletics@avistonk-8.org with any questions or concerns.

Planned absences – A parent or guardian should report a planned absence to the school secretary in advance. Parents and guardians are urged not to take vacations during the school year. When a child is absent, it is his/her responsibility to make up all work that is missed within a reasonable amount of time. Please consult with the teacher to schedule make up work. When a child is leaving early for a doctors app. a note/email must be sent to office.

Quarantine/Staying at Home and Make-Up Work

If a student is not able to attend school due to quarantine or having COVID-like symptoms (or is in a household with a symptomatic individual), class assignments should be completed during the time away from school and turned in as soon as possible upon the student's return. Please coordinate with the classroom teacher for picking up and dropping off assignments during the absence period to ensure learning continues during the time at home and the amount of missed work does not become burdensome. We will once again use the files in the entrance for pickup or drop off of school work if necessary.

If illness is present, the school and teachers will work with students on a case-by-case basis with make-up work. Assignments will generally reflect the work being completed in the classroom and will be similar to an extended absence or vacation scenario.
