Paws for Book Book Fair

January 30 - February 3

Book fair dates and times will be sent home early in January with a preview of some of the books that will be available. All proceeds are used to put new books in the school library as well as in the teachers' classroom libraries.

Thank you in advance for your support!

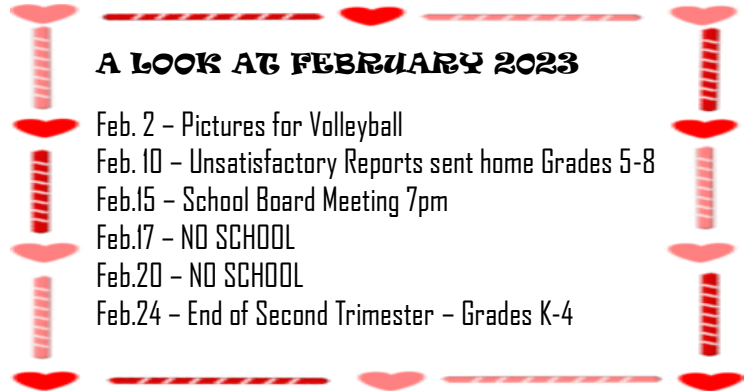

Stop and get your paws on a good book or 2 or more!

SCHOOL CLOSING - INCLEMENT WEATHER 1.90

The automated phone system will be used to notify parents/guardians of any school closings or early dismissals. Because our District shares buses with others, the decision is made by the Clinton County Consortium. The automated phone system will call designated numbers to inform everyone within 30 minutes of a decision to close school.

In the case of a closing for non-weather-related issues, the automated phone system will again be the primary means of contacting parents/guardians.

For your child's safety, make certain you have an emergency plan in place in case of an early dismissal. If the school is dismissed early for an emergency, all after-school functions are automatically canceled.
